UNITY: TOGETHER WE CAN

Greetings Nobles,

I want to thank everyone who came out in support of myself and the rest of Divan. It was great to see all of you out for installation. It was a great night with Ill. Sir Charles R. Murphy as Installing Officer and Ill. Sir Boyd E. Durain as Installing Marshal. They did an awesome job, as I thought they would. Congratulations to the rest of the Divan and all elected and appointed officers.

The Divan and some past Potentates traveled to Dendarah Court #10 Ceremonial Dinner to support them and their new candidates. We got to see their units perform and learn a little about them. Great job ladies! Thank you, Lady Jeana Sutphin, High Priestess, and the rest of your Court. The invitation was very entertaining and fun night.

Upcoming events for February are as follows: Wednesday, February 18, we are having a dinner with the Grotto at Northern Light Lodge. Dinner starts at 6 p.m. Your family is invited to the dinner. Cost of dinner is only \$10. Please bring your fez for pictures. R.S.V.P to the Monarch (2nd Ceremonial Master of Zenobia) Jessee Spillman. On Saturday, February 21, we are having a Friendship Night at Zenobia, starting at 6 p.m. Remember, if you bring a non-Mason or non-Shriner, your meal will be free. If you want to come without one, the meal will be \$10. Please R.S.V.P. to the office.

I ask each and every one of you to get out to your Blue Lodge, Scottish Rite, York Rite and Eastern Stars, and talk about the Shrine and encourage them to come out to our events Unity: Together We Can!

Respectfully yours,
Scott

My Dear Nobles:

The weather outside may be cold, sometimes bitterly so, but always remember you are surrounded by warmth. Regardless of the outside temperatures, with God in your heart, and brothers and friends by your side, you will always experience the warmth of God's love as well as the warmth of true friendship.

So, live your life, that you can overlook the cold spots that will inevitably occur, and recognize the warmth that is there for you. There's no better recipe for health and happiness than that.

May God's blessings so inspire you throughout this new year, that you will never be cold; that you will always see the warmth and appreciate the many blessings God has bestowed upon each and every one of us. I wish you all the warmth you need, not only during these cold winter months, but also throughout all of 2026.

Yours in the faith,
Charlie

Dendarah Court and I would be pleased to have you present at our open Installation, which is scheduled for Saturday, March 21, 2026, at 2 p.m. This will be at the West Toledo Masonic Complex, located at 5025 Secor Road, Toledo, Ohio 43623. Invite your family and friends. A reception will follow.

Serving the Shrine children is our major goal. We will work to support the world's greatest philanthropy, while we strengthen our ties to each other and have fun. Thank you for supporting Dendarah.

With Phoenix love and warm Dragon hugs,
Lady Judy Shirling, Princess

"I'm back!" I was retired, but "just when I thought I was out, they pulled me back in!" Bet you can't tell I have been watching movies.

Last fall, a Zenobia delegation appeared before the UAW CAP Council, which is comprised of about 30 Local presidents. We did a presentation about our hospitals (nicely done, Past Potentate Keith Tuttle). In the afterglow, the feedback we received was that they had no idea how encompassing our hospitals are. It was striking

that the only knowledge of the Shrine was funny hats and little red cars. There was no idea of who we are or what we do.

How do we address that?

Community engagement. A plan is in the development stages to improve our communication with the general public, as well as other Masonic bodies. More to follow in

Greetings from the Chief Rabban

I would like to express my deepest joy that the members of Zenobia have entrusted me with their confidence by electing me as Chief Rabban. It is truly an honor to be a steward of an organization that I love so much.

This coming year has many exciting and rewarding opportunities for fellowship and fun.

Whether your interest steers you to enjoying a fun night of euchre, socializing at a sporting event, bringing your lady to a celebration of our charity or just imbibing in mirth with fine fellows, we plan to have something for you.

Looking forward to seeing you soon.

CLOWNS

Hidey-Ho Nobles,

What a great start to a new year. IP Potentate Scott Harder and his Divan have begun this year's labors of love, and we all need to support them in any way we can.

This is a very slow time of the year for the Clowns. We still meet each month and discuss plans for the upcoming year. We work on our costumes and our balloon twisting; that way we are ready to go as soon as the chance arises to entertain and bring smiles, laughs and, most of all, keep people aware of the Shriner's great philanthropy of helping children.

We need Nobles to share all this fun, so please consider joining our fun group of Clowns. We will help in every aspect of clowning.

Shriners Children's Erie Patient Ambassador, Winter, Featured In Leaders In Care

Cooking Up Confidence

For Shriners Children's Erie patient Winter, age 9, Christmas has always been about more than the meal itself. It is a cherished time spent in the kitchen with her mom, helping prepare a feast for the entire family. Winter has proudly served as her mother's helper since she was about 5 years old.

These moments took on even greater significance after Winter faced a serious health challenge. A blood infection progressed into a complex condition that significantly weakened her muscles and nerves and ultimately required skin grafts. Following her initial hospital stay, Winter's care team recommended occupational and physical therapy to support her recovery and help her regain independence.

At Shriners Children's Erie, occupational therapist Kristen Ciacchini, OTR/L, and physical therapist Rachel Mauro, DPT, partnered with Winter to rebuild her strength, coordination and confidence. While therapy was challenging at first, Winter made steady progress in self-care skills such as dressing and grooming. Her sessions focused on improving range of motion, arm and hand strength and the fine motor skills needed for everyday tasks, including managing buttons, zippers and shoelaces.

Therapy goals were addressed through engaging games, crafts and functional activities, including cooking in the therapy kitchen, which helped make challenging work enjoyable. One area Winter initially found difficult was the sawing motion required to use a knife. Through therapy, she learned that using a larger knife with added downward pressure, as well as an adaptive rocker knife, made food preparation easier and safer. These adaptations helped Winter build confidence in a hobby she loves, allowing her to participate more fully in the kitchen and experience greater independence.

Cooking has continued to play an important role in Winter's therapy journey. This year, she was especially excited to use her skills while helping prepare Christmas dinner. From chopping vegetables to stirring stuffing, Winter was side by side with her mom, continuing a tradition she has cherished for years.

Recently Received His Myoelectric Arm!**

Recently, Paul received his myoelectric arm at Shriners Children’s Erie. He selected a sleek black design and was thrilled with the final choice. Paul tested the device during occupational therapy with his therapist, Allie Blatt, MS, OTR/L, where they played a round of Connect 4 to put its precision to the test. He later brought it to the cafeteria food kiosk and confidently opened a bottle of Diet Coke, marking a meaningful milestone and a moment that brought a big smile.

With a sharp mind and a strong interest in computers and IT, Paul has quickly adapted to the high-tech device. His determination, curiosity and enthusiasm continue to inspire everyone around him.

February brings Ohio the coldest time of the year. While that does not sound comforting, the Zenobia Patrol has some fun ways to help each of us through this chilling time. We have something exciting for you every Thursday! Consider this, an evening with activities you enjoy, savoring your favorite refreshment and fellowship with fun-loving Nobles. What a great way to spend every Thursday. Come join us at Zenobia. It's always a fun time no matter which Thursday!

Patrol held its first of the

year Euchre Tournament on January 29. It was another great turnout with exciting competition. Winners will be announced next month. Since these are held on the fifth Thursday, this year's dates are: April 30, July 30 and October 29. Mark your calendars and plan to participate.

Our trykes have been winterized and are resting for the winter. We plan to increase the parade participation in 2026. With some additional members filling in the openings, we can cover more parades. You do want to be part of an active, growing unit that is visible to the public! So, talk with a Patrol member or just come to one of our Thursday meetings and consider filling out an application. You will be glad you did!

Tiffin Hornets

The dynamic Tiffin Hornets are active all year long. The unit meets each month, all year to keep active, up-to-date and welcome new members. Meetings are held on the third Wednesday of every month at the Masonic building in downtown Tiffin. They begin at 7 p.m. and end with watering hole fellowship. Anyone interested in joining the “world fa-mous” Hornets and possibly ride one of our scooters, is welcome to attend any of our meetings.

During 2025, the Hornet unit rode in 21 parades. While the number of parades starts off slowly in the spring, the Hornets finish strong with parades as late as December! Most of the parades in which the unit participates are located around Tiffin and surrounding counties. Being visible in the communities is valuable, letting people know Shriners are here and active.

Active members provide great guidance and direction for

Our unit is pleased to announce our newest member, Junior Past Potentate Kevin Ridge-way. Following a successful year at the helm of Zenobia, he now begins at the ground level as the newest past potentate. Welcome, Kevin. Glad to have you as part of this support group.

Congratulations to Ill. Sir Scott Harder and his Divan on being installed for 2026 Zenobia leadership. The event was performed by Ill. Sirs Charles Murphy as Installing Officer; Boyd Durain as Installing Marshal,

and Tom Binder presenting the Shriners Creed. Well done, gentlemen! It was nice to see our unit well represented at the installation with six PP’s in attendance.

We are anticipating a great year with our meetings and supporting the leadership of Zenobia. Our attendance has been increasing, which is super, and we anticipate more members stopping in for our meeting. We still meet at 6 p.m., prior to stated meetings, with meal provided starting at 5:30 p.m. No reservation needed, just show up.
